Secondary Mathematics Teacher (middle school / high school+IB DP) (M/W/D)

Metropolitan School Frankfurt is an international school with more than 650 students from 55 nationalities. We provide a high quality, inclusive international education for international and German students aged 3 to 18 from diverse cultural, linguistic and social backgrounds.

You are:

- dynamic and enthusiastic about teaching Secondary School aged students
- experienced in teaching in international schools, preferably with the International Baccalaureate and Cambridge International Education programmes
- able to deliver high quality teaching and learning
- able to work closely with the team to plan cooperatively, develop curriculum and maintain a positive and professional school climate
- keen to participate in professional learning
- experienced in teaching Mathematics at Middle school or high school level, including IB DP

We offer:

- A competitive salary and financial assistance with relocation, flights and VISA process
- A comprehensive staff relocation service, both prior to and after arrival
- A comprehensive and sought after staff well-being programme, including staff gym, personal trainer, on-site massages, psychological counselling and more
- Excellent relationships at all levels
- High academic standards, our recent IB DP average was 40 points
- Well-behaved students committed to their community
- An opportunity to join a committed and forward looking team
- A comprehensive professional development programme
