### Message from Ms Ripperger

Dear Early Years Parents,

Autumn is around the corner and with this we will see a change in weather, the trees and hours of daylight. With the seasonal change we would kindly like to ask parents to ensure weather appropriate clothes are at school (rain jacket, rain boots), so that the children can enjoy the autumn weather with all their senses; crafting natural mandalas, jumping in puddles and playing with mud.

With the temperatures dropping, however, seasonal illnesses are approaching. Please rest reassured that we are taking internal measures to keep the community safe and healthy: such as airing out the rooms regularly, children washing their hands on a regular basis etc. Parents can support us by monitoring children's health conditions closely and keeping children at home when they are sick.

### Kindergarten New Families Feedback Meetings

## Message from Mr Wragg

This week Chris Kreie, our new librarian, welcomed a number of parents to a coffee morning to talk about the organisation of the library and look for some volunteers to assist with this. We were really delighted with the number of parents who came to the meeting and the number of them that then volunteered to support in the library. We are incredibly appreciative of this support and it will help the school to take new and exciting steps to further build reading excitement and joy in our primary school. If you were not able to attend, but would be happy to help, please email Chris. ([kreie@msf.education](mailto:kreie@msf.education))

Chris shared information about: plans for the new library, how we choose books for the library, what constitutes appropriate reading material and how our fundamental goal is to build a love of reading and books within our student body. We will run another library coffee morning in Semester 2, so look out for dates. One piece of information that we did not share at the meeting, but that is good to know, is that we are moving Bookweek this year to start on 13<sup>th</sup> November (it is usually in April). This is a four day week and ends with National Read Aloud Day in Germany, so we will be able to recommend some reading activities to do with your children during the Friday, when school is closed.

## PYP Parent Workshop

If you would like to learn more about the [IB PYP](#) curriculum and how your children experience learning at MSF, please come and participate in the PYP workshop. This takes place from 18:00 - 19:00 on Tuesday, 3<sup>rd</sup> October in the Secondary common room. Please sign up [here](#) if you are able to attend. Mr Wragg and Ms Hand look forward to welcoming you.

### Primary School Library Volunteers Needed

Thanks to those of you who joined us for our Library Coffee Morning this past Wednesday! As was discussed at this meeting, the Primary School Library is in need of volunteers. If you were unable to attend the Coffee Morning, it's not too late to sign-up to volunteer. All skills and talents are needed to assist with duties such as back-office tasks, book processing, student support, library displays, reading events, and even jobs you can do from home. We hope you'll consider joining our team! If you're interested or have any questions, please contact Chris Kreie, Primary School Librarian.

## Message from Dr Coppes

### Back to School Night (SEC Parent Information Evening)

The annual Back to School parent information evening took place on Thursday, 14<sup>th</sup> September. It was a great chance to meet your child's subject teachers and find out more about the curriculum for this year. The SEC parent representatives election also took place during the Back to School Night Event. We are glad to announce that nearly all grades are now fully represented. If you missed the event, you can find the slideshow [here](#).

### !! Action Required: Permission to use online resources

As shared via previous issues of the Bulletin, all SEC parents are asked to submit the online resources permission form for their child in the Secondary School. If you haven't already done so, please fill out the submission form below **as soon as possible**. Please note that your child will not be able to use the online resources in class unless the school has received your express permission.

## **Other information**

**Infectious Diseases:** Please see this useful [website](#) about infectious diseases. You can download the information in other languages as well. English is definitely included.

**Some workshops that might be interesting:** They are mostly in German, but maybe you can still find something that is fitting for you. Please have a look [here](#). There is also one called “[Starke Eltern, starke Kinder](#)” (0-10 year olds).

### **Car Pooling**

We want to start with something new: We want to ask parents (who are interested in car pooling) to connect with each other via an interactive map. Parents will receive a link and can add their location, if interested. This is to avoid the data protection restrictions. → Please have a look at [this guide](#). (We had to move from ethermap to google map, sorry)
