

The Easter Bunny is already busy distributing the first Easter eggs?
Then it's time for our Train with Brain Easter Sports Camp for children aged 3-12 years!

Our bilingual Easter Sports Camp is based on the 360° Train-with-Brain Method©, making it the perfect blend of physical activity, short learning sessions, teamwork, and fun. From educational sports exercises to daring challenges in our parkour programme and teamwork in our ball sports programme - there's something for everyone! Children will be assigned to our qualified trainers and programmes based on their age and interests.
