

Dear MSF Parent Community,

As the 2023/24 school year draws to a close, we are busily planning for the new term ahead. Each year, the Head Parent Representative passes the responsibility of leadership on to the Deputy Head Parent Representative. We will soon begin the process of seeking and electing a new Deputy.

The Head Parents have the responsibility and privilege of serving our school community through collaboration with parents and staff. If you are energetic, community-oriented, and have some time to share, we would love to meet you and chat about what the position entails. The Deputy spends one year becoming familiar with the inner workings of the MSF community, serves as a partner to the Head Parent, and prepares to become Head themselves the following year. While there are no prerequisites to stand for election, experience as a Class Parent Representative in any school Division would be beneficial as supporting the Class Parent Representatives and their classroom families is our first priority. This is a two year position, and a wonderful opportunity to make a meaningful difference in our school community.

If you would like to discuss the role of the Deputy Head Parent Representative, please contact Sara and Jutta at [headparentrep@msf.education](mailto:headparentrep@msf.education) . Elections take place after new Class Parent Representatives are inducted at the beginning of the new school year, so now is an excellent time to start thinking about leadership. We look forward to speaking with you.

Kind Regards,

Sara Rosensteel, Head Parent Representative 2023/24  
Jutta Petznick, Deputy Head Parent Representative 2023/24
