

A Warm Welcome from Your Head Parent Representatives

Dear MSF community,

We are thrilled to introduce Jutta Petznick as your new Head Parent for the 2024/25 school year, alongside Aslihan Irtis as the new Deputy Head Parent. We are incredibly grateful to all the Class Representatives for stepping into these key roles, and we are excited to work closely with each of you throughout the year.

We would also like to extend our heartfelt thanks to Sara Rosensteel for her incredible work and dedication as the outgoing Head Parent. Her efforts have made a lasting impact, and we are truly grateful for her leadership and commitment.

We look forward to fostering great collaboration and a strong sense of community as we support the school and parents alike. Here's to a successful and productive year ahead!
If you need to reach us, please feel free to contact us at headparentrep@msf.education.

Warm regards,
